

Sad Song

Eskimo Joe

Listen to the sad song
Love and devotion
Sitting in the sunshine
Staring at the shoreline
I wish I could stay this way with you
There's nothing I can do
There's nothing I can say

Just listen to the sad song
Love and devotion
I wish I could stay this way with you
There's nothing I can do
There's nothing I can say

Tell a little lie, tell a little lie,
Tell a little lie to your eyes, your eyes
Tell a little lie, tell a little lie
To your eyes

I wish I could stay this way with you forever

Tell a little lie, tell a little lie,
Tell a little lie to your eyes, your eyes
Tell a little lie, tell a little lie,
Tell a little lie to your eyes, your eyes
And even with my wandering eye, I'm rising over you
Like a tide without a moon
And even with my wandering eye, I'm rising over you
I'm rising over you
(Tell a little lie, tell a little lie...)
I'm rising over you
I'm rising over you
