

# Suicide Girl

Eskimo Joe

With lips that kiss  
Words of teeth  
And I was wrong  
To let you know  
So drink your coffee  
And catch your bus  
Cause I just want  
My suicide girl

My social suicide girl  
Poison in the wall  
Razors in the apple core

She's my social suicide girl  
She'll catch you in her way  
Until everyone just stays away

See these words  
Sharp as knives  
And I just want  
To let it go  
Seven stitches  
In my head  
And I just want my suicide girl

Oh girl  
If her kiss is deep  
Then you'll sleep  
Gravestones lie  
And futures die
