

Feeling Good

Esmée Denters

I used to look in the mirror
Felt so uncomfortable
I always felt like I was different
From everybody else
I didn't want any attention
I got lost in the crowd
So busy trying to fit in
When I was born to stand out

I felt like my best
Wasn't good enough
But I'm not the same girl
That I once was

I'm no longer insecure
Cause life is just too short to
Worry about what others think
I'm feeling good in this skin
That I live in
There is nothing I would change
I'm feeling good

If you ever feel like I did
No, it don't have to be that way
Cause you are perfect the way you are
You shouldn't have to be ashamed
Cause we are all a work in progress
You gotta work with that you got
Rather be true to myself
Than to be who I'm not

So if you're unlike anyone else you know
That's what makes you original

I'm no longer insecure
Cause life is just too short to
Worry about what others think
I'm feeling good in this skin
That I live in
There is nothing I would change
I'm feeling good

Let go of who you think that you need to be
You are so much more than what they may see
Let it all out and set it free
Darling what you got is all you need
Let go of who you think that you need to be
You are so much more than what they may see
Let it all out and set it free
Darling what you got is all you need

I'm no longer insecure
Cause life is just too short to
Worry about what others think
I'm feeling good in this skin
That I live in
There is nothing I would change

I'm feeling good
