

# It's Summer Because We Say So

Esmée Denters

Yeah, c'mon

You wanna get carried away on the waves of freedom  
Now get ready, it's that time of the year  
Don't wanna lose yourself and give into temptation  
Who cares, who's gonna know

We're dangerous, delirious  
Acting like we're famous  
Tell all the boys we're messing about  
We'll be the talk of the town  
Driving through the city with the top down  
Everything is better when the sun's out  
Everything is better when the sun's out

You can't tell us nothing, no no  
It's summer cause we say so  
There's no trouble in paradise  
Now we got the whole world singing, shout it out

We got that crazy, that sexy, that beautiful  
We got that young, that foolish, that freaky love  
Can you hear the beat of the wild hearts  
Can you hear the beat of the wild hearts

We got that sugar sweet, innocent, naughty but confident  
Everybody here is a 10 out of 10  
Don't want this day to end  
Driving through the city with the top down  
Everything is better when the sun's out  
Everything is better when the sun's out

You can't tell us nothing, no no  
It's summer cause we say so  
There's no trouble in paradise  
Now we got the whole world singing, shout it out

We got that crazy, that sexy, that beautiful  
We got that young, that foolish, that freaky love  
Can you hear the beat of the wild hearts  
Can you hear the beat of the wild hearts

It's summer cause we say so  
From the beach we take it to the dance floor  
Now listen all, can you hear the wild hearts?

We got that crazy, that sexy, that beautiful  
We got that young, that foolish, that freaky love  
Can you hear the beat of the wild hearts  
Can you hear the beat of the wild hearts

We got that crazy, that sexy, that beautiful  
We got that young, that foolish, that freaky love  
Can you hear the beat of the wild hearts  
Can you hear the beat of the wild hearts
