

Say Goodbye

Esmée Denters

Yeah

Oh oh oh

Oh oh oh

Baby come here, sit down let's talk

I got a lot to say so I guess I'll start

By saying I love you, but you know

It hasn't been a walk in the park for us

I sure it'll only take a minute, you'll understand when I'm finished

Yeah

I don't want to see you cry

But I don't want to be the one to tare you apart

So how do you let go, when you

When you just don't know what's on the other side

Of the door, when you're walking out

Talk about it
