

# Timeless

Esmée Denters

I'm not looking for a happy ending  
'Cause I believe true love never ends  
But I could spend a lifetime in your arms  
'Cause it's the only thing that makes sense

'Cause you make me smile on my worst days  
And when I get lost you show me the way  
Hold me together when I'm about to break  
And make it all okay

As we get older  
Our love will stay young  
There's nothing that we can't overcome  
'Cause our love is timeless

I may not be the first but I wanna be the last  
One to kiss those lips  
I don't need to look around 'cause you are all I see  
I swear this is it

So will you take my hand, ever let go  
Promise you'll catch me when I fall  
Will you be there throughout it all  
Whenever I call

As we get older  
Our love will stay young  
There's nothing that we can't overcome  
'Cause our love is timeless  
And as long as you're mine  
On we'll keep shining  
Everlasting just like the sun  
'Cause our love is timeless  
Timeless

We may not have it all together  
But together we'll have it all  
'Cause our love is never ending  
I'll keep loving you till after I'm gone

As we get older  
Our love will stay young  
There's nothing that we can't overcome  
'Cause our love is timeless  
And as long as you're mine  
On we'll keep shining  
Everlasting just like the sun  
'Cause our love is timeless  
Timeless  
Timeless  
Timeless  
Timeless  
Timeless

Endless as the ocean  
Timeless as the tide  
Our days might be numbered

Our love will never die
