

# Wild Is The Wind

Esperanza Spalding

Love me, love me  
Love me say you do  
Let me fly away with you  
For my love is like the wind

Wild is the wind

Give me more than one chorus  
Satisfy this hungriness  
For we're creatures of the wind  
And wild is the wind

Wild is the wind

You touch me  
I hear the sound of mandolins  
When you kiss me  
With your kiss my life begins

You cling to me  
All things to me  
Don't you know like life itself

Like a leaf clings to a tree

So my darling cling to me  
Let my love flow through you  
Wild as the wind

Wild as the wind

As the wind

Wilder than the wind my love is  
Wild as the wind

Let my heart love you oh

Wild as the wind

Wild as the wind

Wild creature of the wind  
Love me wild again  
The wind
