

Spin The Block

Essosa

You know I don't do second chances
But I can't be alone tonight, no
I need some next level romancing
And when you try you can treat me right

You didn't do what you supposed to do
So I had to give you to the cut
Straight to the cut
But I can't stay away from you
One last try, I guess
It couldn't hurt, no, no

I notice you take the back roads
But I gotta stop stopping you
Just know you're on your last run
I know I never let go
But I'm gonna spin the block for you
So don't mess it up

I think there's still something between us
An energy that's so unmatched
'Cause I really hate the way that you misbehave
But I let it slide for you 'cause I'm attached

Though the bar may be on the floor
Won't you come steady knocking on my door?

I notice you take the back roads
But I gotta stop stopping you
Just know you're on your last run
I know I never let go
But I'm gonna spin the block for you
So don't mess it up

Don't mess it up
Don't mess it up
Don't mess it up
Don't mess it up
Don't mess it up
Don't mess it up
Don't mess it up
Don't mess it up
Don't mess it up
