

# Dead Wrong

EST Gee

[Intro: EST Gee]

Muder don't even leave no traces  
Muder don't even leave no traces  
Muder don't even leave no traces  
5500, we ballin', man, you know what it is  
And with the TEC, it's a broad daylight faces  
Muder don't even leave no traces (Don't leave no traces)  
[?], nigga, raise a case, just get the addy and I (Yeah, yeah, yeah)  
Just get the addy and I (Yeah, yeah, yeah)

All the shots I seen come with a chaser (Come with a chaser)  
This choppa I tote, ain't basic (Grrrr)  
Cookie on it with the laser (Yeah, it don't move)  
And with the TEC, it's a broad daylight faces (Yeah, yeah, yeah)  
Muder don't even leave no traces (Don't leave no traces)  
[?], nigga, raise a case, just get the addy, I pay them (Yeah, I pay for it)

[Verse 1: EST Gee]

Whoever thought I'd be famous  
From rappin' how I'm livin' (From rappin' how I'm livin')  
No facades or image (No facade)  
They hate us 'cause nothin' bigger (Nothin' bigger than us)  
Foundation with the killers, no outsiders in our business (No outsiders in our business)  
It's a greenlight, see 'em, kill 'em (Kill 'em)  
Let the news paint the picture (Paint the picture, yeah)  
Let his family cry and miss him  
Shouldn't have been speakin' on my name (Speakin' on my name)  
This the red zone (This the red zone)  
Geeski, he so headstrong (He so headstrong)  
'Cause every time I listen to an OG (Every time I listen), he is dead wrong (Dead wrong)  
They don't know the detail, they just know we knocked his head off (They just know we knocked his head off)  
Pull up, let that lead off (Bah, bah, bah, bah, bah) and then we sped off and now your man's gone (And now your man's dead)  
I damn near got sick, I'm here hittin' on his damn dawg  
Balled before I went to Memphis, nigga, I'm Zach Randolph (Nigga, I'm Zach Randolph)  
As soon as he changed the price, I ain't think twice, nigga, I ran off (I took off, yeah)

[Chorus: EST Gee]

It ain't never us, it's them (It ain't never us, it's them)  
Broke his version, killed the first, and done killed again  
All it took was a lil' bait for me to [?] him here (All it took was a lil' bait)  
All it took was a lil' hate to see my snake appear (All it took was a lil' hate)  
And all it took was a lil' paper to make him disappear (All it took was a lil' paper)  
We slide like mob ties (Mob ties), greatest of all time (Greatest of all time)  
Won't spare a dime 'til a nigga die, I want them all cryin' (Won't spare a dime 'til a nigga die, I want them all cryin')  
Won't spare a dime 'til a nigga die, I want them all cryin' (Won't spare a dime 'til a nigga die, I want them all cryin')

[Verse 2: Future]

Plenty bales, yeah, puttin' risotto on the scale, yeah  
Paraphernalia, lot of finesse, what I sale, yeah  
Got me fed up, stayin' down, runnin' my bread up  
Jimmy Choos sandals, big Phantom, keep my leg up  
Got my bread up, head up, wake the dead up  
Get the cash now, and make it better  
Cook work, cook [?] in the murder zone  
Get you rained on, you ain't know, now your brain gone  
All the pain, numb, I can rap it, I can sing on  
Every time I listen to these broke niggas, they be dead wrong  
Get the detail before you judge, a nigga out of the ghetto  
Put the fetti up, [?], make my wrist glow  
Get the info, tenfold, spend out the bands up  
No stand [?], pound smoker, like indoors (Yeah, yeah)

[Chorus: EST Gee]

It ain't never us, it's them (It ain't never us, it's them)  
Broke his version, killed the first, and done killed again (Done killed again)  
All it took was a lil' bait for me to [?] him here (All it took was a lil' bait)  
All it took was a lil' hate to see my snake appear (All it took was a lil' hate)  
And ll it took was a lil' paper to make him disappear (All it took was a lil' paper)  
We slide like mob ties (Mob ties), greatest of all time (Greatest of all time)  
Won't spare a dime 'til a nigga die, I want them all cryin' (Won't spare a dime 'til a nigga die, I want them all cryin')  
Won't spare a dime 'til a nigga die, I want them all cryin' (Won't spare a dime 'til a nigga die, I want them all cryin')
