

# Do My Own Stunts

EST Gee

Yeah, yeah, yeha, yeah, yeah  
I do my own stunts

I stayed at The Post Oak for a month, I do my own stunts  
Might roll up, don't even pass my blunt, I pull my own stunts  
They goin' but I ain't goin' for nothin', I do my own stunts  
Evel Knievel, Evel Knievel  
Every watch I own cost more than a buck, I do my own stunts  
Evel Knievel, Evel Knievel  
You reachin', I'ma teach you somethin', I do my own stunts  
Evel Knievel, Evel Knievel  
The foreign trunk come in the front, I pull my own stunts  
I told 'em I ain't need a sub, I do my own stunts  
Evel Knievel, Evel Knievel  
I pull my own stunts, I do my own stunts  
Evel Knievel, Evel Knievel  
I told 'em I ain't need no sub, I do my own stunts  
Evel Knievel, Evel Knievel  
I pull my own stunts, I do my own stunts

I shoot my own gun, went on my own run  
He called me regular, talkin' fetti, I hung the phone up  
Man, they love to act like they be steppin' and don't be on none  
Lame niggas be talkin' and bein' too messy is gettin' they hoes fucke d  
Keep missin' your message and you be textin', ain't pickin' the phone up  
But you know how she get, mm, you know 'bout your bitch  
Just left Houston and Atlanta, I linked up with Spit  
I ain't do no rattin', not no homo, came home to a kit  
Money like fifty to the neck and sixty to the wrist  
I ain't on no fake watch buster shit, just zoom in on the pic  
I'll put like fifty on a Crip and sixty in his whip  
They thought the .9 would have me killed, I turned to 50 Cent
