I THINK

EST Gee

Love that you thought that it wasn't [?] (Mhm)
Yeah, yeah, and I get it, I'm the one different (Yeah)
They ain't on what I be on (They ain't on what I be on)
They ain't spent no night in front of a nigga home (Skrrt)
They ain't know what beef look like unless they put it in a song (Unless the
y put it in a—)
I'ma start doin' whatever before admittin' that I'm wrong (Man, I ain't neve
r wrong)
That's my pride again
And these tens have me dyin' to spin (Have me dyin' to kill)
And you be playin' until your mans end up dyin' again (End up dyin' again)
A real stepper, when it's pressure, stand on all the business (Stand on all
the business)
Play, he ain't even know I was a snake 'til I smile and he see it
See, I'm slimey, but look how many mouths I fed (Too many mouths I fed)
Niggs be fightin' with they demons, I put mines to bed (Yeah, yeah, yeah, ye
ah)
Found out she fuckin', it crushed me 'cause the time I spent ('Cause the tim
e I spent)
Should've told me they was fuckin' 'fore the child was here (Before my child
 was here)
Know they told you 'bout the island, there's piranhas there (There's piranha
s there)
Got my gun, ain't catchin' no ones, he gettin' loud, he scared

No way can survive in the wild, I been out here a while
I lost soldiers and lieutenants to get out of this now
I ain't kneel or bow, I ain't pretend, I vow
Man, let's go in, somehow
And, I seen blood from war, all that wash off your hands
And, you think— (Blood from war, all that wash off your hands)
Mhm, I seen love that you thought that it was, end up lyin' to your face
(Love that you thought that it was, end up lyin' to your face)

And I been tryna stay away
Adderall, Promethazine, I'm tryna stay away
Told me they was gon' fall through, I wait around, they flaked on me
'Posed to be my dawg, but you tell broads that you gon' take from me
Damn, homie, I just hope your mom can take that pressure when we blam on you
Ain't no coppin' duces, I'm just playin', you gotta stand on it
Really, I'm too booked up on that bullshit, put my mans on it
Make sure it go through, stick to the plan, homie
Caught me by myself, you niggas ran from me
We gon' tear this motherfucker up they put a hand on me
Got his baby momma in the truck, she right here layin' on me
I just gave her twenty-thousand bucks, say, "This for gas money"
I been puttin' every dollar up like it's my last money
I can't go broke, everybody ask for somethin', I can't say, "No"
You done crossed the line too far, I can't let it go
And, it really fucked my head up, but, I can't let it show
'Cause, everybody knows me (Wow)
I'm sendin' a invoice out to anyone who owes me (Wow)
I ain't really trippin' off yo' bitch, dawg, she chose me
I'm supportin' my team, it ain't no game, you can't control me

No way can survive in the wild, I been out here a while
I lost soldiers and lieutenants to get out of this now

I ain't kneel or bow, I ain't pretend, I vow
Man, let's go in, somehow
And, I seen blood from war, all that wash off your hands
And, you think— (Blood from war, all that wash off your hands)
Mhm, I seen love that you thought that it was, end up lyin' to your face
(Love that you thought that it was, end up lyin' to your face)

And I been tryna stay away
Adderall, Promethazine, I'm tryna stay away
