

NEVER NEED

EST Gee

(Ayy, who that? John Gotitt)
Ain't never did nothin', that's why they don't feel nothin'
(Can't rush the vibe, Rando)
Be in they feelings
Mm, mm, you know that's real (Yeah, yeah)

Sometimes it gotta end to start, knowin' it hurt my heart (Yeah, yeah, yeah)
I seen it built in bark (Yeah, yeah), both times it got torn apart (Yeah, yeah, yeah)
Shiners lurk in the dark (Yeah, yeah), across the street from Newber Park (Yeah, yeah, yeah)
I cut him off, tryna sabotage my strip, ain't like his part (I ain't like his load, yeah)
Lil' bro ain't never played a sport but he can work his fork (Lil' bro ain't never played a sport)
He'll never go against big bro (No), I helped him get his start (I helped him get a start)
They slid through Dez grandma crib, might as well took the chart (No, they ain't seen nothin')
Covered them cars in tarps, island full of snakes and shark
Slidin' forty-eight hours straight, servin' H, duckin' narcs (Let me show you how)
Straight drop, sittin' down from the top, the other quart a sock (The other quart a sock)
Did what I had to do before I got you, two take to Noah's Ark
Strong white girl (Ah, ah, ah), cook you a quart, I call it Jonah Ark (Cookin' up that white)
Numb your throat, runny nose, raw skin in the middle part
Biggest serve known across the world like the McDonald's Arc (Biggest serve)
I done lost more than niggas bought, took the blame, wasn't my fault (I done lost more than niggas bought)
Took the cross and brushed it off, runnin' from them Draco sparks
Thicker than my battle marks, somewhere back when I had a heart (Somewhere back when I had a heart)
Sweatin' in my one play, a fat white J, call him Buggle Sparks (Call him Buggle Sparks)
Loyal 'cause my dog bark ('Cause my dog bark), crashin' like a bumper car (Mm, like a bumper car)
Say I'm crazy 'cause it say my heart, my finger gettin' cut off
Yeah, yeah, niggas hoes and act like they ain't told (Yeah) 'cause they ain't give me a talk (Yeah)
Might as well share, where niggas with the food? (Yeah) Swear he clean it off (Yeah, yeah)
This is hell, but it'll heal a heart (Yeah), but there's no place where killers are (Yeah)
I got rich from gettin' it off (Yeah) and morals 'til the screen dark (Yeah, yeah, yeah, yeah, yeah)
All I ever ask for you to have my back when shit was hard (All I ever asked)
Whichever one of us would take it far, show the world what gangsters are (Show the world what)
'Cause goin' to school don't make you smart, like bein' broke don't make you hard (Like bein' broke don't make you)
Two in drew, two in car and twenty hit up dissin' opps (Grirt, grirt)
Trip a nigga body parts, 7.62 park a car (Grrah)
Memory losses, take a bar, ready to do the same tomorrow (Uh, uh)
Know I got my name from wars (Know I got), I got all my fame from war (My fame from war)

Paid it, then I played the car and when we say we see his car (When we see his car)
Split his chest, split his gar
Drove it and I took it far (Know I took it far)
My trap like a mobile store, ask them what they know me for (Mm, ask them what they know me for)
Legendary as HOV and OG one before I wrote a bar (Legendary as G)
Jesus is the son of God, Supreme, number fifty-five
Heat sender (Frirt, frirt), R.I.P. giver (Frirt, frirt, frirt)
P shipper, not in a eighteen-wheeler
'Phetamine flipper, uh
I'ma just squeeze this trigger, have an SUV flippin' niggas
Know they needed me, I ain't never need niggas (Mm, I ain't never)

Never need niggas, fuck a flee flicker (What?), shoot at three niggas (Blatt, blatt)
Two choppers, one vehicle, how I defeat niggas (Yeah)
Yeah, I put that heat on him, but he froze like a popsicle (Uh)
Thot bitches set up opp niggas (Ayy), we set up shop, nigga (Let's go)
Yellow house turned to a haunted house, we took over blocks, nigga (We took over blocks, nigga)
Every nigga played, we slayed, they dead, mines not finished (Mines not finished)
Spinnin, reminiscin', denied shootings, knowin' damn well I did it
Killers breed killers (Breed killers) and bitch niggas breed bitch niggas
Early in the morning, I want him dead if he with his kids or his nigga (I want him dead as fuck)
Everyday I was on it, nigga, we turned April to December (To December)
Ice box where my heart use to be like that Omarion nigga (Like that Omarion)
Rats in his circle, let's throw it away, he eatin' cheese for dinner, mm (Let's throw it away)
