

# NOBODY ELSE

EST Gee

Where are you?  
Facetime you ten times, don't at like  
You ain't see me callin'  
Three in the mornin', I'm at the gate in  
Front your apartment  
I should've been home forever ago, I  
Know it, I'm sorry  
Lights low, playin' PartyNextDoor and  
Summer Walker  
How often you know the boss tryna  
Boss up with you not on you?  
You like it, I bought it, it's worth what it  
Costs long as it take you off the market  
Don't want you shoppin' around  
I'm busy, you miss me, seein' your video  
Right now, how insane, huh?  
I can't wait to get back in town

I wanna do things to you nobody else  
Would do  
I can do some things to you that nobody  
Else would do  
I can do somethings to you that nobody else  
Would do  
Catch you with the lights off, kiss your  
Body so soft  
Baby, I can't hold off, let me take them  
Clothes off you  
I wanna do some things to you that  
Nobody else would do

Bae, text me back, I miss you bad  
Just get here fast, you don't need no  
Bag  
I know them niggas pray we don't last  
Long as you got me, you don't need no  
Man  
Text me back, I miss you bad  
Just get here fast, you don't need no  
Bag  
I know them niggas pray we don't last  
Long as you got me, you don't need no  
Man

I know my change gettin' slimmer  
Your ass gettin' bigger and you rwaist  
Gettin' thinner  
Your time precious but I need you to  
Spare me a minute  
'Cause I've been feelin' the distance is  
Growin' slowly, is you switchin'?  
Thought I secured my position with you  
'Cause of my history  
But everything changes, nothin' last  
Forever, that's true  
And I'd be lyin' if I said I seen that  
Comin' from you

It ain't no better unless it's new  
Won't go from no jet to a Jetta, 'cause  
He got time sittin' around  
I'm guessin' you thinkin' that he got  
Intentions better  
Uh', I never get jealous, but I can't help  
It, you mine  
Spend too much money and time  
And this type's not that easy to find

I wanna do things to you nobody else  
Would do  
I can do some things to you that nobody  
Else would do  
I can do somethings to you that nobody else  
Would do  
Catch you with the lights off, kiss your  
Body so soft  
Baby, I can't hold off, let me take them  
Clothes off you  
I wanna do some things to you that  
Nobody else would do

I wanna get freaky with you  
Nasty with you  
Kinky with you  
Slow it down  
I was gonna slow down

I wanna do things to you nobody else  
Would do  
I can do some things to you that nobody  
Else would do  
I can do somethings to you that nobody else  
Would do  
Catch you with the lights off, kiss your  
Body so soft  
Baby, I can't hold off, let me take them  
Clothes off you  
I wanna do some things to you that  
Nobody else would do
