EST Gee

Rich in real life, and I just [?]
They know what's up with cash
Yeah, yeah

I'm in the booth with the FN, I'm a big fish (Right now)
Jakes on my dick when I be ridin' 'cause I flip shit (Right now)
Fresh out the Waldorf high getting my dick licked (Right now)
My right wrist cost everybody in you click kit (Right now)
A hunnid fifty show, she pulled up like a dipstick (Right now)
I'm like the real life Nino Brown if he didn't snitch (Right now)
I'm like your favorite rapper style if he lived it (Right now)
I'm worth ten million, still in the trenches (Right now)
Five years ago when it was sixty for a fent brick (Right now)
Just took my grandma, her two-fifty independent (Right now)
Zo in the feds right now with a pinched lip (Right now)
Just for lil' bro, I'll get a opp niggas bitch kiss (Right now)
I'm easy, baby, I like long hair and French tips (Right now)
Lon drive Mercedes, them the type of whips my bitch get (Right now)
A hunnid twenty days, I treat her like a princess (Right now)
Don't get to playin' crazy, baby, or you dismissed (Right now)
I used to tote 380s, now I tote extensions (Right now)
We had to lock it in in blood for the friendship (Right now)
Ask the streets, them EST niggas been rich (Right now)
Ask the streets, them EST niggas been lit (Right now)
Ask the beef, never mind, them niggas been snitched (Right now)
Bet if I ball out with this iron, then you gettin' hit (Right now)
Thirsty to hurt shit, he need his thirst quenched (Right now)
Don't look too long, you see me out, you get your shirt drenched (Right now)
My lil' bro shirked shit before he ate a Perc' 10 (Right now)
I'm thanking God for letting us shine, letting the curse lift (Right now)

You keep repeating for a reason, you ain't learned shit (Right now)
You keep repeating for a reason, you ain't learned shit (Right now)
You keep repeating for a reason, you ain't learned shit (Right now)
You keep repeating for a reason, you ain't learned shit (Right now)

I'm in the booth with the FN like I'm Shark Boy (Right now)
They wore a wire on me before, that's why I'm paranoid (Right now)
Valet at post oak detail my car 'cause it's a Rolls Royce (Right now)
My earrings probably cost more than what you signed for (Right now)
The feds gave Lil Scary fifteen for eight grams of boy (Right now)
It broke my heart like I ain't give thirty-forty to every lawyer (Right now)
But he a bull, smile in court, send them strips to him (Right now)
These legends love us, stunts I pulled that don't remember doing (Right now)
I kept it going brick or more a week in the middle of the war (Right now)
I told my daddy at seventeen I'd never go work at Ford (Right now)
He couldn't avoid it, had to see himself how I was doing it (Right now)
He wanted to lock in with the smoke but I was moving dog (Right now)
On work release, seven to four, ankle monitor on (Right now)
I used to drive shit back and forth with no extra charge (Right now)
Before I ever thought to find a beat and press record (Right now)
I used to press up off of Zorn, blood, watch the door (Right now)
Turn around George on my first few tours with no song to perform (Right now)

Yeah, yeah, turn around George on my first few tours with no song to perform
(Right now)

All around the country with [?] (Right now)
