Ain't no big doggin' me, nigga, I'm a Rottweiler
I used to serve one nigga two bricks, it cost a Sky-Dweller
Ask about the island, boy, we sent shit to the hospital
They all talk that murder shit, but niggas really shoplifters
Hold your Rollie up if you ain't been involved in cop business
Keep your Rollie up if you a hustler, I'm tryna shop with you
Hold your Rollie up if you self-made, ain't got no big dog
Keep your Rollie up, you ever touched a brick of fentanyl, yeah

They want one mil' for Lukada, know I'm comin' to get you, baby
Know my heart might get me killed, but it got me here, so risks

Blood addictive, I can taste it, we beat all our murder cases

Ain't no big doggin' me, nigga, I'm a Rottweiler
I used to serve one nigga two bricks, it cost a Sky-Dweller
Ask about the island, boy, we sent shit to the hospital
