

## Somebody Else

EAST

I know I'm not the one you thought I'd be  
I know I'm not the one you want to see  
I know I'm not the love that you have planned  
But all you want, I want you to have

So I am gonna try to be somebody else  
For you tonight, tonight, tonight  
I am gonna try to be somebody else  
For you tonight, tonight

I know I'm not the one you deserve  
I know I'm not the one you'd choose first  
I know I'm not the love you had in mind  
But all you want, I want you to find

So I am gonna try to be somebody else  
For you tonight, tonight, tonight  
I am gonna try to be somebody else  
For you tonight, tonight

Let me be your dream, why don'tcha  
Got a love that so why don'tcha  
All I want is to be what you want  
Let me be your dream, why don'tcha  
Got a love that so why don'tcha  
All I want is to be what you want

So I am gonna try to be somebody else  
For you tonight, tonight, tonight  
I am gonna try to be somebody else  
For you tonight, tonight
