

# Do My Thing

Estelle

Hey hey hey hey  
Hey hey hey hey  
Hey hey hey hey  
Hey hey hey hey

I wear my clothes like this because I can  
I wear my hair like this because I can  
I walk around like this because I can  
And I do my thing like 'cause this who I am (this who I am)  
If you are expecting me to give you an apology  
For being nothing that you used to, used to  
Well go on right ahead and wait  
Hold your breath and concentrate  
Keep holding till your face turns blue

My road, it ain't your road but trust I know just where I am going  
My flow it ain't your flow, but trust I know, I know just how I'm flowing  
I'ma do my thing  
I'ma do my, I'ma do my thing  
Please feel free to hate and complain  
Said I'm a do my thing  
I'ma do my, I'ma do my thing  
Say what you want cause this one ain't gonna change  
I'ma do my thing  
Ha ha ha ha ha ha

I can't wear my clothes like you, because I'm not  
I can't do my hair like you, because I'm not  
I can't walk around like you, because I'm not  
I can't do my thing like you, well that just ain't hot  
And If you are expecting me to give you an apology  
For being nothing like you used to used to  
Well go on right ahead and wait  
Hold your breath and concentrate  
Keep holding till your face turns blue

My road, it ain't your road, but trust i know, i just where I'm going  
My flow it ain't your flow, but trust I know, I just how I'm flowing  
I'ma do my thing  
I'ma do my, I'ma do my thing  
Please feel free to hate and complain  
Cause I'm a do my thing  
I'ma do my, I'ma do my thing  
Say what you like cause this one ain't gonna change  
I'ma do my thing

You don't know where I am going, and so you think I am lost  
I ain't on your page, OK so to you that means I'm off  
When I dance, I dance to the beat of a drummer you don't hear and you can't see  
So if I look off beat to you, well the problem must be you not me  
Irregular but never irrelevant, unusual but never uncool  
You're not cut from my clothes  
You never get me, or I don't get you  
Either A believer of the fact  
That unique equals love  
So if I'm going to fast for you

Open your mind and speed off

My road, it ain't your road, but trust i know just where I'm going  
My flow it ain't your flow, but trust I know, just how I'm flowing  
I'ma do my thing  
I'ma do my, I'ma do my thing  
Please feel free to hate and complain  
I'ma do my thing  
I'ma do my, I'ma do my thing  
And say what you want cause this one ain't gonna change  
I'ma do my thing
