

New Direction

Estelle

Everybody get up
In this new direction
Yeah, this new expression of love
Everybody get up
In this new direction
Yeah, this new expression of love
Got to be your great intention
You should feel your body let go

Everybody get up
In this new direction
Yeah, this new expression of love
Everybody get up
In this new direction
Yeah, this new expression of love
Got to be your great intention
You should feel your body let go

'Cause we don't know when we'll get to be again
I'm down to just go dancing with my friends
I want to put a good one in the air
And have a ball baby
And just do it all
Free-flying

'Cause we don't know when we'll get to be again
I'm down to just go dancing with my friends
I want to put a good one in the air
And do it all
Baby we'll have a ball
Free-flying

Huh
I ain't come here to play
But I'm here to have fun
Forrest Gump, this man on the run
Rise, and shine like the sun
Good God and me, his son
Brand new Estelle and the American child
Pocket full of cheese, American style
Why frown? Don't it feel better to smile
Cheese, don't it feel better to smile?
How the indie kid get major places
A minor did it in a major way
That's my cape here to save the day
Beethoven to anything a hater say

Get up
Light the ground on fire
What you gon' do when the town on fire?
What you gon' do when the water don't work?
Get up and rebuild from the dirt
Get up
Light the ground on fire
What you gon' do when the town on fire?
What you gon' do when the water don't work?
Get up and rebuild from the dirt

Don't you wanna go free-flying?
Don't you wanna go free-flying?
I wanna, wanna, wanna go free-flying
And do it all baby we'll have a ball
Free-flying

Hey, have it, do it
Free-flying

Free-flying
Do it, do it, do it, do it
Have a ball baby
Just do it all
Free-flying
