

Thank You

Estelle

Sometimes I wonder do you
Even recognize the woman
That's standing in front of you, listen

Sometimes I wonder do you
Even care or realize why I took care of you
'Cuz you're my heart
You are my soul
You're my other half
Without you I can not be whole baby
So far apart
I just don't know
What drove us apart in the first place
Now I know baby why

These tears I cry sure won't be the last
They will not be the last, no
This pain inside never seems to pass
It never seems to pass me by

So I thank you
Said I thank you
Yes I thank you
For making me a woman

Sometimes I wonder could she be
More of a woman to you than you were a man to me, listen
Sometimes I wonder why me
I'm here miserable while you're out living your fantasies
And didn't care

'Cuz you're my heart
You are my soul
You're my other half
Without you I can not be whole baby
So far apart
I just don't know
What drove us apart in the first place
Now I know baby why

These tears I cry sure won't be the last
They will not be the last, no
This pain inside never seems to pass
It never seems to pass me by

So I thank you
Said I thank you
Yes I thank you
For making me a woman

One thing I learned in life, that is
Gotta be ready to sacrifice to survive
I hope she's happy
'Cuz you're the chapter that I'll be closing
Hope you're happy
'Cuz once my door closes it won't be open

These tears I cry sure won't be the last
They will not be the last, no
This pain inside never seems to pass
It never seems to pass me by

So I thank you
Said I thank you
Yes I thank you
For making me a woman
