

Any Other Way

Ester Dean

I'd be silly if I told you I've been felt
'Cause I feel so hard
I'd be crazy if I told you I don't see you
As a light in the dark

I'm so, so wrong
I admit it, I admit it
Oh, I'm so, so wrong
I admit it, I admit it
I wouldn't have it any other way!
Uuh uh, oh oh
I wouldn't have it any other way!
Uuh uh, oh oh
I wouldn't have it any other way!

Even if our truth would be denied
Those white lights on soon tale
Captured by the moon in your eyes
Sweet nights, goodbye, farewells

I'm so, so wrong
I admit it, I admit it
Oh, I'm so, so wrong
I admit it, I admit it
I wouldn't have it any other way!
Uuh uh, oh oh
I wouldn't have it any other way!
Uuh uh, oh oh
I wouldn't have it any other way!

People wanna tell me how to live my life, but I
People wanna tell me he's not right, not right, but I said
Oh, I love him, I love him, I love him, I love him
I wouldn't have it any other way! Ooh oh oh
I wouldn't have it any other way!
