

Dis Old Man

Ester Dean

Dis old man
He a trick
He paid just to get a lick

So I let him lick it lick it lick it like a bone
Got that man
His mind is blown

Dis old man
He got ends
He paid for me and my friends
So I get that money money
Give a dog a bone
Drop him when his money's gone

Put some money in da slot
And the pussy will pop
Wind it up
Wind it up
Like he Jack in the Box
I like a man
With estates with gates with summer yachts
He a sugar daddy
I'm spending all his money up

He like to umm hmm
He lick it lick this fatty like
Umm hmmm
He wanna toss it like a salad like
Umm hmmm
He wanna lick it lick it good
But not without permission
Yo I wish a nigga would

Yeah I don't care but he so sprung
I gets off but he gets none
I got receipts but no refund
'Cuz that shit is so fucking dumb
