

I Need A Change

Ester Dean

Show me to the beat
Show; Show me where the freaks go
I wanna sneak and get a peak
I wanna let my freak show
Show me to the beat
Show; Show me where the freaks go
Wanna see sexy feet
Watching in the window
I've seen every part of the boulevard
What's underneath the radar
Wanna do things I won't remember tomorrow
They take me where the freaks party
Show me the room where its getting wild
And as sexy as hell and the skin is out
And ya cant leave the club without making out with the chick on the couch

I need a change
Something strange
(Repeat 4x)
Show me to the beat
Show; Show me where the freaks go
I wanna sneak and get a peak
I wanna let my freak show
Show me to the beat
Show; Show me where the freaks go
Wanna see sexy feet
Watching in the window
I've heard every song
I know them by heart
So sick and tired of singing
Save the doubt
Think its more bizarre
I need some misbehaving
Show me the room where its getting wild
And as sexy as hell and the skin is out
And ya cant leave the club without making out with the freak on the couch
I need a change

I need a change
Something strange
(Repeat 4x)

Show me to the beat
Show; Show me where the freaks go
I wanna sneak and get a peak
I wanna let my freak show
Show me to the beat
Show; Show me where the freaks go
Wanna see sexy feet
Watching in the window

I need a change
Something strange
(Repeat 4x)
Show me to the beat
Show; Show me where the freaks go
