

PICK ME UP

Ester Dean

Mini on the fuckin' boardz
Ester Dean the sun machine

I'ma get prepared for you to pick me up
Come and slip n slide over and pick me up
My one and only wish is can you keep it up
Keep it up, baby, can you keep it up?

When you step up in that door, shake my ass, grab my throat
Got my t-shirt and my panties on, hope you wearing your coat, mm
Come on, ride that train
That pony, beat it like a donkey
[?] taking all of me, homie
Calling me bro, but I'm still gon' fuck him though

I love it when my baby let me switch it up
I ride it like a cowgirl, got that guiddy up
He thinkin' it's a pics, it's a video
'Cause I want him to see what it's hitting for

I'ma get prepared for you to pick me up
Come and slip n slide over and pick me up
My one and only wish is can you keep it up
Keep it up, baby, can you keep it up?

He gon' beat me up, can you keep it up?
He gon' beat me up

He got that good credit, that good [?]
So he deserve that good top
He fine as shit with the thickidy-thick
Bitch, you be stalking like Pokemon
Tryna see if he love a bitch, but he's sitting here still eating clit
This pussy is wicked
When I'm bad he pull me over and give me the ticket

I love it when my baby let me switch it up (On me)
I ride it like a cowgirl, got that guiddy up (Ooh, daddy)
He thinkin' it's a pic, it's a video
'Cause I want him to see what it's hitting for

I'ma get prepared for you to pick me up (I want you to see how you work my body, baby)
Come and slip n slide over and pick me up (And pick me up)
My one and only wish is can you keep it up (Let me keep it up)
Keep it up, baby, can you keep it up? (Yeah, yeah, yeah, yeah)

H-he gon' beat me up, yeah, yeah, yeah, yeah
Can you keep it up?
Oh yeah, right there, right there, right there, right there, yeah
(You on your way?)
H-he gon' beat me up (I'm ready, yeah)
I like it when you beat me up
H-he gon' beat me up
