He wanna meet me in the back
I don't mind, give me that
He lookin kinda hungry
Ima let him eat some kitty cat
I let him go no strings attached
He like a stray he comin' back
He scratchin on my door
I think I think I seen a putty cat

Slippy da slippy da slippy when it's wet
He tryin to come get me
So he can fuck me on a jet
But it ain't that easy to please me
Can you keep it wet
Wet wet wet
Can you keep it wet

Ohhh you wanna slip slip
Slip slip
He wanna wanna
Slip and slide
Ohh you wanna slip slip
Slip slip
You know you wanna
Slip and slide

He asked me if I'm into chicks
If I mind kissing lips
I told him yeah I'm up for it
Now bring me back the baddest chick
A hoodie wit acrylic tips
She the baddest
She the shit
I want a chocolate brown
Chocolate brown
Want her thick and shit

Slippy da slippy da slippy when it's wet
He tryin to come get me
So he can fuck me on a jet
But it ain't that easy to please me
Can you keep it wet
Wet wet wet
Can you keep it wet

Ohhh you wanna slip slip
Slip slip
He wanna wanna
Slip and slide
Ohh he wanna slip slip
Slip slip

You know you wanna
