Etana

I'm all in love
Dedicated to the one I love
I'm in love, hey

For the first time around
I'm prepared to risk it all
Walk around the longest wall
For your loving
Like a fool
You shake me down
Thought that I could stand my ground
I'm hooked to you
I'm so spell bound
Gotta have it

Who do you really think you are
Walking around and stealing hearts
How did I let it get this far
Much too far
Let down my guards
You Mr. mention what's your aim
This for real is it a game
Cause I'm so addicted to your strain
And it's driving me insane

Cause I wanna get
More more
Of your loving
I gotta get
More more
Ooh I want it everyday
Yeah
More more
Your sweet loving everyday
More more
Ooh baby more more
Eemm yeah

Love everything that you don't stop
Me love yuh vibe pull it up from top
I'm such hopeless romantic
Fascinated by your words and your antics
Ooh I hate your tricky ways
You got me craven for your love like everyday
And what's a girls supposed to do
When you do me like you do

Who do you really think you are
Walking around and stealing hearts
How did I let it get this far
Much too far
Let down my guards
You Mr. mention what's your aim
