

Proppa

Etana

Etana Etana
One god
Stonebwoy
Jamaica, Ghana

Diamonds and money oh
Can't by my honey oh no
I need a man you know
That's gonna love me so (love me so)
Love me and no one else
Love me more than yourself
Treat me like top of shelf
Drink up like communion

If you wanna chance with me
You gotta come correct
Want more than a dance with me
Put some respect on it
You betta be toppa dan dapper dan
That's the only way you ago hold me hand
Cause I'm a real boss
Mi need a real man
So make a move if you understand

Say you want to be my lova
So come at me, come at me proppa
You want me to hand it ova
Then come at me
Come at me proppa
Cherish me just like baby oh oh oh
And I'll call you pappa
If you want to me by lova
(Lova, lova) so come at me proppa

I'm an African king in this place o
Jamaican girl you be my taste oh
See I got a place o
Only you gon fit to fill up the space oh
Make a give you lovin weh nobody gon fit to replace oh
Love weh you never feel before
Hurry up and come
Come ride inna mi Maserati
From Ashaiman to Trelawny
A see dah jolly we deh counting money
Sexy rasta oh nani
Mi ago show love weh go over you
Ago give you all of me
Nothing nuh deh yah nuh fi do for you baby

Say you wanna be my lova
So come at me, come at me proppa
You want me to hand it ova
Then come at me, come at me proppa
Cherish me just like baby oh oh oh
And I'll call you pappa
If you want to me by lova (lova, lova)
So come at me proppa

Chocolate and sweet, yeah, lambo and keys, oh yeah
Trips overseas, oh yeah, if you can win me, yeah

Oh you weh weh, you never fall my hands
Oh you weh weh, you never fall my hands
Oh you weh weh, you never fall my hands
Oh you weh weh, you never fall my hands

If you wanna chance with me
You gotta come correct
Want more than a dance with me
Put some respect on it
You betta be toppa than dopper dan
That's the only way you ago hold me hand
Cause I'm a real boss
Mi need a real man
So make a move if you understand

Say you want to be my lova
So come at me, come at me proppa
You want me to hand it ova
Then come at me, come at me proppa
Cherish me just like baby oh oh oh
And I'll call you pappa
If you want to me by lova (lova, lova)
So come at me proppa...
