Oh watch me!

Queen, queen of the jungle!

I am the queen of the concrete jungle  
Lying on the scene, is dangerous, oh!  
I am the queen of the concrete jungle  
Lying on the scene, is dangerous, oh!  
They were underestimating, now they're rating  
They were on the other side of the...  
But it's alright, it's al, it's alright  
Cause when I'll arrive  
They'll be surprised when the lion is roar  
When this lion is roar

I am the queen of the concrete jungle  
Lying on the scene, is dangerous, oh!  
I am the queen of the concrete jungle  
Lying on the scene, is dangerous, oh!  
I'm watching, even when they think I'm sleeping  
Cause I'mma be too late when you see me coming  
Cause when the time is right, all my enemies will be weeping  
The world will know my name!  
The world will know my name!

I am the queen of the concrete jungle  
Lying on the scene, is dangerous, oh!  
I am the queen of the concrete jungle  
Lying on the scene, is dangerous, oh!  
I walk in faith, I'm stepping with love  
And yeah, don't walk the valley of the shadow with lights across  
I'm dreaming right next to me  
I'm taking control  
I'm breaking, I'm breaking free with love in my soul!

I am the queen of the concrete jungle, concrete jungle yeah  
Lying on the scene, is dangerous, oh!  
I am the queen of the concrete jungle  
Lying on the scene, is dangerous, oh!  
I am the queen of the concrete jungle  
Queen, oh queen, yeah queen  
It's a related queen!  
Queen, queen, of the concrete jungle, concrete jungle  
Lying on the scene, is dangerous, oh!  
Oh, yeah queen, yeah, oh, oh, yeah, queen!
