

# Richest Girl

Etana

If tomorrow never comes  
Words don't matter now  
Cause all we have is only yesterday  
Would you promise  
To be ok  
And all the things you did  
Moment lives would you let mine slip away

Nothing would change  
Nothing would change for me  
Cause everything that matters is always free

I can lose it all... all  
Money in the bank  
The world forgets my name  
I can lose it all... all  
The One thing that is true  
If I wake up next to you  
Am the richest girl..girl  
Am the richest girl..girl  
Yeaah

Time is borrowed  
You never know  
A bomb could drop today  
And all we have could all just fade away  
So I give you, everything  
Vase and tender bow  
Hope you know this love is from my soul

Nothing would change  
Nothing would change for me  
Cause everything that matters is always free

I can lose it all... all  
Money in the bank  
The world forgets my name  
I can lose it all... all  
The One thing that is true  
If I wake up next to you  
Am the richest girl..girl  
Am the richest girl..girl  
Yeaah yeah

I can lose it all... all  
Money in the bank  
The world forgets my name  
I can lose it all... all  
The One thing that is true  
If I wake up next to you  
Am the richest girl..girl  
Am the richest girl..girl  
Yeaah yeah
