

# Stepping Out Of Babylon

Etana

When I think of all the bitter times I've had  
Oh god it doesn't make me sad  
Oh no it doesn't bother me  
Strength and honour is all I see

Oh give thanks unto the Almighty One  
He showed me what I had, he said  
Stand firm and keep the faith  
Oh your reward should be great  
And now I see the day

When I'm steppin' out of Babylon, in New Jerusalem, in Mount Zi  
on  
Steppin' out of Babylon, in New Jerusalem, in Mount Zion  
Steppin out of Babylon one by one, steppin in Mount Zion  
Steppin out of Babylon one by one, steppin in Mount Zion  
Steppin, steppin, steppin out a Babylon  
Steppin, steppin, steppin out a Babylon

I've got no alternative (in a Babylon)  
But I know yes, I know (there's a Mount Zion)  
But oh some day his children will find the way  
So get up, get up and don't let the devil lead you astray

I'm steppin' out of Babylon, in New Jerusalem, in Mount Zion  
Steppin' out of Babylon, in New Jerusalem, in Mount Zion
