Etana

345 inna di mawnin I got my baby pan di phone line  
Tell me whats on your mind  
I'm listening girl  
Won't you come over baby  
Come and rub me down  
I really wanna feel your motion  
I really like the way you sound  
Your conversation  
Make the river just a flow right down  
So won't you come inna me bedroom  
Eem eem baby

Vibration  
I really like your vibration  
Spiritual meditation  
Pour me out like libation  
Vibration  
I really like your vibration  
Yuh meditation  
Pour me out like libation  
Come into my room  
(Coming baybeh, coming baybeh)  
Into my room  
(Coming baybeh, good loving coming your way)  
Come into my room  
(Coming baybeh, coming baybeh)  
Into my room  
(Special delivery, good loving ah ah)

My sacred subject  
My favorite thoughts  
My happy moment  
I'm glad you called  
Girl I've been thinking the same as you  
No more hesitating

Haffi meck my move  
Big broom inna yuh womb a so the king a step  
Mind sex groove me with your intellect baby  
Lets isolate lock off the phone turn off the internet  
You and I the moon alone can interject  
I told my friends  
I got to go my baby needs me now  
The fire is burning and all she keeps thinking of  
Is how she wants to feel my love eem eem  
When you meck the call you meck the right move  
Touches leave you wet just like a night's dew baby  
This yah wait pan, know she you wan build nations when you say  
Come into my room

Vibration  
(Vibes)  
I really like your vibration  
(Me love yuh vibration)  
Spiritual meditation  
(I and I)  
Pour me out like libation

(I love your vibe)  
Vibration  
(Vibe)  
I really like your vibration  
(Seh me love your vibration babe)  
Yuh meditation  
(Aah ahhha)  
Pour me out like libation  
Come into my room  
(Coming baybeh, coming baybeh)  
Into my room  
(Coming baybeh, good loving coming your way)  
Come into my room  
(Coming baybeh, coming baybeh)  
Into my room  
(Special delivery, good loving ah ah)

You got the style I like baby  
You got the vibe I like baby  
You make me feel so right yeah yeah  
And every single time we touch

Such a blessing I can feel that rush  
I can never have enough of you baby  
Whenever I hear your voice  
Me get rebel salute baby a standing ovation  
What a vibration  
I I I  
Ooh I can never have enough  
Of you
