

Angel Of Mine

Eternal

Oh, Angel

When I first saw you I already knew
There was something inside of you
Something I thought I'd never find
Angel of mine

I look at you (looking at you) looking at me
Now I know why they say the best things are free
Gonna love you 'til the end of time
Angel of mine

What you mean to me you'll never know
Deep inside I need to show

You came into my life sent from above
Better than a dream, such a perfect love
And I'll adore you 'til the end of time
Angel of mine

Woah waoh, angel, yeah, oh

Nothing means more to me than what we share
No one in this whole world can ever compare
Last night the way you moved is still on my mind
Angel, angel, of mine

What you mean to me you'll never know
Deep inside I need to show

You came into my life (my life) sent from above
Better than a dream, such a perfect love, perfect love
And I'll adore you 'til the end of time
Angel, angel, of mine, of mine
Angel, oh angel, angel

I never knew I could feel each moment
As if it were new
Every breath I take or vow that I make
I want to share it with you, share it with you

When I first saw you I already knew
There was something inside of you
Something I thought I'd never find
Angel of mine

You came into my life, sent from above, up above baby
Better than a dream, such a perfect love
You're such a perfect love
And I'll adore you 'til the end of time
Angel of mine

What you mean to me you'll never know
Deep inside I need to show

I look at you, looking at me
Now I know why they say the best things are free

Gonna love you 'til the end of time
Angel of mine
