

Love

I've been listening to the sounds of this crowded empty  
Room  
I've been trying to define what it is I'm going thru  
Will you show me  
Show me a better way  
Cause I don't I don't always  
Know exactly what to say  
Will you tell me

LOVE will you tell me where's the love  
Will you tell me where's the love  
Will I ever know  
Oh love oh love oh love  
LOVE will you tell me where's the love  
Will you tell me where's the love  
Will I ever know  
Oh love oh love oh love

This cruel world can send me reeling  
Not enough love and not enough healing  
I've got this weight on my heart  
I've got this weight on my

Done my time I've done my searching  
For a little love done a lot of hurting  
I've got this weight on my heart  
I've got this weight on my heart

LOVE will you tell me where's the love  
Will you tell me where's the love  
Will I ever know  
Oh love oh love oh love  
LOVE will you tell me where's the love  
Will you tell me where's the love  
Will I ever know  
Oh love oh love oh love

In a world that makes you weak without pardon  
A world that sells your dreams for a bargain  
One broken heart can make you cynical  
But I will believe

And the evening breeze carries that same old lonely  
Tune  
Oh, I don't I don't always know exactly what to do

Will you tell me where's the love  
Will you tell me where's the love  
Will I ever know  
Oh love oh love oh love  
LOVE will you tell me where's the love  
Will you tell me where's the love  
Will I ever know  
Oh love oh love oh love
