Vanity

ETERNITY ∞

Mirror mirror on the wall
Who's the prettiest of all
I'm feeling pure in my couture

Whatcha driving what's it cost?
When I'm strutting do they talk?
Mirror mirror on the wall

Oh Chanel, Louis Vuitton, Givenchy, Yves Saint Laurent
Gucci, Prada, Pucci, Ford
So Marc Jacobs, so Dior

Vanity my favorite sin
The glamorous the rich the thin
Fashionista flaunt your trend
Vanity get's you again
Vanity my favorite sin
The glamorous the rich the thin
Fashionista flaunt your trend
Vanity get's you again

Flick your hair from side to side
Spend a fortune on your pride
But when you dig down deep inside?

Make em jealous make em seeth
Tell yourself "they envy me"
When your all alone you'll see
If they really care

Vanity my favorite sin
The glamorous the rich the thin
Fashionista flaunt your trend
Vanity get's you again
Vanity my favorite sin
The glamorous the rich the thin
Fashionista flaunt your trend
Vanity get's you again

I don't care I don't care I don't care what they think
Cause in the end I just have me
And what really matters
Is that I'm avant-garde, spectacular, I'm grandiose and
fabulous

Oh Chanel, Louis Vitton, Givenchy, Yves San Laurent
Gucci, Prada, Pucci, Ford
So Marc Jacobs, so Dior
