

# 100 Layers

Ethan Bortnick

They come so close to the center  
They can't see right through my eyes  
Find out the sugar too sweet  
And then they all end up high  
Electric shock with the truth  
Leave 'em all paralyzed  
Lick me good Tootsie Pop  
A hundred layers with' a prize, yuh  
With' a prize, yuh (With' a prize, yuh)  
With' a prize, yuh (With' a prize, yuh)  
With' a prize, yuh (With' a prize, yuh)  
Hundred layers with' a prize, yuh

Rushin' to get close but we got all night  
Germaphobe, got rid of you with' my wipes  
Blood triggered shark, yeah, I caused a commotion  
I'm not gon' wait, yeah, I'm always in motion  
Sign me away, never got off the stage  
I am the beast and now you are the cage

'Cause they all digging through me, looking for the gold  
I tip my hat like I'm Mario

They come so close to the center  
They can't see right through my eyes  
Find out the sugar too sweet  
And then they all end up high  
Electric shock with the truth  
Leave 'em all paralyzed  
Lick me good Tootsie Pop  
A hundred layers with' a prize, yuh  
With' a prize, yuh (With' a prize, yuh)  
With' a prize, yuh (With' a prize, yuh)  
With' a prize, yuh (With' a prize, yuh)  
Hundred layers with' a prize, yuh

I'mma always get it  
Nobody can interrupt  
I'm about my business  
Tell you, "I don't give a fuck"  
Hunnid layers deeper  
Keep a couple in the truck  
People got it twisted  
This is not beginners luck

'Cause they all digging through me, looking for the gold  
I tip my hat, like I'm Mario

They come so close to the center  
They can't see right through my eyes  
Find out the sugar too sweet  
And then they all end up high  
Electric shock with the truth  
Leave 'em all paralyzed  
Lick me good Tootsie Pop  
A hundred layers with' a prize, yuh  
(Prize! Prize! Prize!)

With' a prize, yuh (With' a prize, yuh)  
(Prize! Prize! Prize!)  
Hundred layers with' a prize, yuh  
(Prize! Prize! Prize!)  
With' a prize, yuh (With' a prize, yuh)
