

Antlers

Ethel Cain

Daddy, there's pain in your smile
I've never seen you so dark
You'll never walk me down the aisle
You won't make it that far
Mama took the keys and she ran
The baby's blood is on your hands
We both know it's what you deserve

I tried to pull you out
But you built this bed to rot
Look at this hell you've caused
And you'll blame yourself cause

It's all your fault
It's all your fault
It's all your fault
It's all your fault
