Ethel Cain

Nearer, my God, to Thee
Oh, nearer to Thee
E'en though it be a cross that raiseth me
Still all my song shall be nearer, my God, to Thee
Nearer, my God, to Thee, nearer to Thee

Heaven has forsaken the masturbator
Heaven has forsaken the masturbator
Masturbator
Masturbator
No one you know is a good person
Fast, reckless driving often leads to slow, sad music

Heaven
Heaven
Heaven
Heaven has forsaken the masturbator
Heaven has forsaken the masturbator

It's happening to everybody
