

Tempest

Ethel Cain

Can you hear them?
The trains, ooh
Pick your flowers
You're too late

I'll hurt
Myself
If I want
I don't care
Do you swing
From your neck
With the hope
Someone cares?

Please, just go easy on me
I am young and naïve
I don't know what I need
I can lead you to bed
But I can't make you sleep
I've heard it before
From someone who leaves

I still dream of violence
Angry at the waiting game
Chain link on your lungs
And sulfuric acid in my brain
Don't ask me why I hate myself
As I'm circling the drain
'Cause death, it takes too long
And I can't wait, ah-oh
(Oh-ah)

Waiting for my own
Waiting for my own

Always on my own (You come around here just to watch me writhe)
Always on my own
Always on my own (Am I what you think about all late at night?)
Always on my own
Someone take me home (You can try and stop me, hold me)
I wanna go home (Do all the things that you do)
Take me out the dark (But it's no good)
I'm gonna regret this

(Forever)
Forever
Forever
Forever
Forever
Forever
Forever

Forever
Forever
Forever
Forever
Forever
Forever
Forever
Forever
Forever
