## **Am I Blue**

**Ethel Waters** 

I'm just a woman, a lonely woman
Waiting on the weary shore
I'm just a woman who's only human
One you should feel sorry for

It was a morning, long before dawn Without a warning I found he was gone How could he do it, why should he do it He never done it before

Am I blue, am I blue Ain't these tears in these eyes telling you How can you ask me am I blue Why, wouldn't you be too If each plan with your man Done fell through

There was a time When I was his only one But now I'm the sad and lonely one... lonely Was I gay, until today Now he's gone, and we're through
