

## If You Ever Change Your Mind

Ethel Waters

If you ever change your mind,  
Come back the minute that you do!  
I'll welcome you with open arms,  
Because I'm still in love with you!

If you ever change your mind  
And think you've made a big mistake,  
Don't be afraid to let me know,  
We'll try again for old time's sake! (for old time's sake)

You know there's a place in my heart  
That waits for your return each moment we're apart!

I promise you I'll never change,  
I'm still the girl you left behind!  
We'll just pick up where we left off,  
If you ever change your mind!

I promise you I'll never change,  
I'm still the girl you left behind!  
We'll just pick up where we left off,  
If you ever change your mind! (if you ever change your mind)
