

Some of These Days

Ethel Waters

Two sweethearts in the country town the neighbors say,
Lived happily the whole day long,
Until one day he told her he must go away
She wondered then what could be wrong.

He said "You know it's true I love you best of all,
And yet it's best that we should part."
Just as he went away they heard his girlie say
Though it 'most broke her heart:

"Some of these days,
You'll miss me honey,
Some of these days,
You're gonna feel so lonely,
You'll miss my huggin',
You'll miss my kissin'.
You'll miss me honey
When you go away.

I feel so lonely,
Just for you only,
For you know honey,
I let you have your way,
And when you leave me,
I know it will grieve me,
I'll miss my little dad-dad-daddy,
Yes, some of these days!

Some of these days,
You'll miss me honey,
Some of these days,
You'll feel so lonely,
You'll miss my huggin',
You'll miss my kissin'.
You'll miss me honey, honey
When you go away.

I'm gonna feel so lonely
Just for you only,
Oh, you know honey,
I let you have your way,
And when you leave me,
You know it will grieve me,
And you'll gonna miss your little girl
Yes, some of these days!"
