You Took My Man

Ethel Waters

You've come to tell me something
You say I ought to know
That he don't love me anymore and I'll have to let him go

You say you're gonna take him
But I don't believe you can
Cause you ain't woman enough to take my man

Women like you they're a dime a dozen
You can buy 'em anywhere
For you to get to him I'd have to move over
And I'm gonna stand right here
It'll be over my dead body so get out while you can
Cause you ain't woman e-nough to take my man

Sometimes a man's caught looking
At things that he don't need
He took a second look at you but he's in love with me

I don't know where that leaves you
But I know where I stand
And you ain't woman enough to take my man

Women like you they're a dime a dozen
You can buy 'em anywhere
For you to get to him I'd have to move over
And I'm gonna stand right here
It'll be over my dead body so get out while you can
Cause you ain't woman e-nough to take my man

Cause you ain't woman enough to take my man
