Again

Etta James

Again This couldn't happen again This is that once in a lifetime This is the thrill divine

What's more This never happened before Though I have prayed for a lifetime That such as you would suddenly, suddenly be mine

Mine to hold as I'm holding you now And never, never, never so near Mine to have when the now And the here disappear

What matters, what matters, dear, for when This doesn't happen again We'll have this moment forever But never, never again

Mine to hold as I'm holding you now And never, never, never so near Mine to have when the now And the here disappear and oh

What matters, what matters, what matters, dear, for when This doesn't happen again We'll have this moment forever But never, never again, again Never, never again, again
