

# (I Don't Need Nobody To Tell Me) How To Treat My Man

Etta James

Woah, I don't need nobody  
To tell me how to treat my man  
Woah, you haven't got one of your own  
So how can you understand?  
Oh, tend to your business and leave mine alone  
Then it's my own fault if, if something goes wrong  
I don't need nobody  
To tell me how to treat my man

Oh, don't want your coming around  
Telling me that I'm doing wrong, no no  
Oh, get on out of my face, go on child  
And leave me alone now, oh now now now  
What makes you think that what you say is the truth?  
When every man you get always cuts you loose  
I don't need nobody  
To tell me how to treat my man

Oh, no no no

Oh ho now, now now  
You say that you know just what to do  
To make my man prove his love is true  
Now I don't believe you, something gotta be wrong  
If you knew so much, you'd have a man of your own  
I don't need nobody  
To tell me how to treat my man, no oh no

You haven't got one of your own  
So how can you understand now, oh oh now  
All I have to do to make my man act right, child  
Hug him, kiss him, squeeze him every night  
I don't need nobody  
To tell me how to treat my man

Oh, I don't need nobody  
Woah, I don't want nobody  
Oh, tellin' me this and that  
Get on out of my face, go on child  
Don't be tellin' me what to do about my man  
Oh, no no no no
