Lover Man (Oh Where Can He Be?)

Etta James

I don't know why but I'm feeling so sad I'd long to try something I'd never had Never had no kissing, Ooh, what I've been missing Lover man, oh, where can you be?

The night is cold and I'm so all alone
I'd give my soul just to call you my own
Got a moon above me but no one's here to love me
Lover man, oh, where can you be?

I've heard it said that the thrill of romance Can be like a heavenly dream And I'll go to bed with a prayer That you'll make love, love to me strange as it seems

Someday we'll meet and you'll dry all my tears And whisper sweet, little things in my ear Hugging and a-kissing, Oh, what I've been missing baby Lover man, oh, where can you be?

I've heard it said that the thrill of romance Could be like a heavenly dream And I'll go to bed with the prayer That you'll make love, love to me strange as it seems

Someday we'll meet and you'll dry all my tears
Then whisper sweet little things in my ear
Hugging and a-kissing, oh, what I've been missing
Lover man, oh, where can you be?
Lover man, oh, where can you be?
