

## Night and Day

Etta James

Night and day, you are the one  
Only you beneath the moon and under the sun  
Whether near me or far  
It's no matter, darling, where you are  
I think of you night and day, day and night

Why is it so that this longing for you  
Follows wherever I go?  
In the roaring traffic's boom  
In the silence of my lonely room  
I think of you night and day

Night and day, under the hide of me  
There's an, oh, such a hungry yearning  
Burning inside of me  
And its torment won't be through  
'Til you spent my life making love to you  
Night and day, day and night

Night and day, under the hide of me  
There's an, oh, such a hungry yearning  
Burning inside of me  
And its torment won't be through  
'Til you let me spent my life making love to you  
Day and night, night and day
