

## Please, No More

Etta James

We start a fight, who knows what for  
Who knows who's winning, or who's keeping score  
You say it's all right, as you slam the door  
All I can say is  
"Please no more, please no more."

I've had enough after how I swore  
I'd never give you up  
Loving you was easy, but one thing's for sure  
It ain't me, it ain't me  
You're trying to please no more

Passions will burn, burn endlessly  
All that's left behind are these broken dreams  
While I still got some pieces laid out on the floor  
I'm asking you baby  
"Please no more, please no more."

I've had enough, after how I swore  
I'd never give you up  
Loving you was easy, but one thing's for sure  
It ain't me, it ain't me  
You're trying to please no more
