

## At Last

Etta Jones

I was never spellbound by a starry sky  
What is there to moon glow, when love has passed you by  
Then there came a midnight and the world was new  
Now here am I so spellbound, darling  
Not by stars, but just by you

At last my love has come along  
My lonely days are over and life is like a song  
At Last the skies above are blue  
My heart was wrapped in clover the night I looked at you  
I found a dream that I can speak to  
A dream that I can call my own  
I found a thrill to press my cheek to  
A thrill I've never known  
You smiled and then the spell was cast  
And here we are in Heaven  
For you are mine at last

At last my love has come along  
My lonely days are over and life is like a song  
At last the skies above are blue  
My heart was wrapped in clover the night I looked at you  
I found a dream that I can speak to  
A dream that I can call my own  
I found a thrill to press my cheek to  
A thrill I've never known  
You smiled and then the spell was cast  
And here we are in Heaven
