

Nature Boy

Etta Jones

There was a boy
A very strange enchanted boy
They say he wandered very far, very far
Over land and sea
A little shy and sad of eye
But very wise was he

And then one day
A magic day he passed my way
And while we spoke of many things
Fools and kings
This he said to me

The greatest thing you'll ever learn
Is just to love and be loved in return

And then one day  
A magic day he passed my way  
And while we spoke of many things  
Fools and kings  
This he said to me

The greatest thing you'll ever learn  
Is just to love and be loved in return  
Just to be loved in return  
Good to be loved in return
