

## Someday My Prince Will Come

Etta Jones

Someday my prince will come  
Someday I'll find my love  
And how thrilling that moment will be  
When the prince of my dreams come to me

He'll whisper, 'I love you'  
And steal a kiss or two  
Though he's far away, I'll find my love some day  
Someday when my dreams come true

Someday my prince will come  
Someday I'll find my love  
And how thrilling that moment will be

When the prince of my dreams come to me

He'll whisper, 'I love you'  
Then he'll steal a kiss or two  
Though he's far away, I'll find my love some day  
Someday when my dreams come true

Someday, yes, my prince, he's gonna come  
Someday
