

Home Sweet Home

Eugene McGuinness

Blood moon blood moon
Living in a vacuum
Living in a vacuum
Blood moon blood moon

I'm in the bathtub
It's just you and the bedbugs
Now I'm on the bathrug
Dancing on the bathrug

R 'n B CD's
From the late nineties
R 'n B CD's
From the 20th century

That was then
This is now
That was then
This is now
That was then
This is now

At least it was
Anyhow

Honey I'm home sweet home
Eat up eat up
Eat it up until you burst
Steady now eat up
Save room for dessert
Soon we'll be in the cylinder crush of a claustrophobic cluster
f*ck
Soon we'll be in the cylinder crush of a claustrophobic cluster
f*ck

Honey I'm home sweet home
And I've got an itch to scratch
Right down to the bone
